

## **PHANTOM “75” RACING**

**Celebrating 75 Years of the Famous KK Phantom**

**A New Racing Competition Created by Peterborough MFC**

**A new postal and event competition for the famous Phantom Mk11**

**Model: Phantom Mk11 to plan. Wing can be set without incidence and rudder without offset. Flexible stranded heavy weight leadouts**

**Rules: 1.5cc steel liner motors plain or single ball bearing.**

**45’ 012” stranded control lines from centre line of model to centre line of handle. ( Note line length to help reduce pilot rotation speed)**

**Bellcrank mounted on bearers. 1 3/4” Spinner**

**Fuel Cut Out allowed but not mandatory. 2” Racing Wheels**

**Commercial I.C. Propellers only. BMFA number on inboard wing**

**50 lap race with one pit stop. Up to three races per team per event**

**Mandatory wrist strap for pilots and helmet for pitman**

**10 second count down to engine starting for League 1 (one up) and League 2 ( two up). No whipping other than one lap for take off and landing. All other rules as per BMFA C/L racing.**

**Five events to be run in the 2024 season**

**Five postal event race times to Brian Lever ( [blever@btinternet.com](mailto:blever@btinternet.com)) within five days of the event taking place**

**Five location events to take place. Two at Old Warden, 18/19 May, 27/28 July, Three at Buckminster 13/14 April, 14/15/16 June 12/13 October. Note the competitions will take place on the Saturday.**

**Best three times to count towards Special “75” Trophies for First, Second and Third Places in each league. Certificates awarded to every entrant. Fettle or new build. Good times are back. Questions? [blever@btinternet.com](mailto:blever@btinternet.com) or Tel: 01733 252416 Good Luck!**
